

**Our guarantee is subject to the following conditions:**

- 1) Your website must 'not' be a mass generated adult oriented sex site, a casino/gambling site, a dating site, a reseller mass generated web hosting service, a mass generated MLM get rich quick site, a mass generated online pharmacy, a website primarily selling Viagra or a website selling products/machines claiming the ability to make private body parts grow!

**Submission Process:**

- 1) Your main domain/optimized pages is/are manually submitted to: Google, Yahoo, Dmoz, MSN, AOL, Netscape, Altavista and Alltheweb.
- 2) Your main index and five additional pages are successfully submitted to our selected search engine database for a period of three months (biweekly).
- 3) Your main index or alternative optimized page is enrolled in our 'Page Rank Express'.

Please Note: In order to be strictly compliant with Google, MSN and Yahoo's rules and regulation, only your root domain page is manually submitted (Note: Google Sitemap is a separate process whereby each pages is promoted individually). Google, MSN and Yahoo's spiders will follow through and index successive pages.

**Major Search Engines:**

We guarantee your website (domain) will be found in the first 10 listings of top search engines like Google, MSN or Yahoo (which combined represent 78% of all search engine traffic) using single or multiple keywords related to your web site content, service(s) or product(s)! Your website will be found in the top 10 positions of at least one of the above major search engines!

**Major Secondary Search Engines:**

Furthermore we guarantee your website(domain) will be found in the first 10 listings of secondary major search engines like AOL, Alta Vista, Ask(AskJeeves), DMOZ, Wisenut, Teoma, Excite, Lycos, Looksmart, Fast(AllTheWeb), HotBot, Alexa and/or Netscape using single or multiple keywords related to your web site content, service(s) or product(s)! Your website will be found in the top 10 positions in at least three of the above secondary search engines!

Please note: Indexing in all search engines can take anywhere from 7 days to a maximum of 12 weeks.

**Ownership.**

All SEO (search engine optimization) work prepared by Canadian iManagement for your website is yours to keep permanently. You will have complete ownership of all optimized content and all generated Metalink/Sipderlink pages (if applicable). Detailed explanation of work performed along with associated files is forwarded on completion of assignment for your records.

[If the above conditions are not met, you will be fully refunded!](#)
